Binghamton University

Regarding request for approval to take a reduced course load due to illness or medical condition.

Student: Lamont Cranston

DOB: 02/01/1990

Lamont Cranston is presently receiving medical treatment that makes it medically necessary for him to be unable to carry a full course load for the Fall 2017 semester. Please allow him to carry three (3) credits during this time. The treatment he is receiving is given daily (Monday through Friday), and has short-term and long-term side effects, including (but not limited to) general fatigue, slow cognitive skills and psychosocial discomfort due to diagnosis and treatment.

If you have any questions, please do not hesitate to contact me.

Thank you,

*W. E. Coyote, M.D.*
